**Study Abroad & Internship Opportunities**

Internships allow students to explore career opportunities, develop professional skills, learn more about themselves, and gain a competitive advantage in their job searches. BSOS is committed to connecting students to a wide variety of internship opportunities.

**Planning for Your Future**

The BSOS Advising & Career Center is here to help you maximize your undergraduate experience by making informed decisions about your academic and extracurricular opportunities, and aims to prepare students for a satisfying and fulfilling career and life after college. Plans are under way to expand and enrich our advising and career center.
