• Location: Washington, DC
• Hours: Flexible
• Compensation:
  – Competitive Stipend
  – Earned Academic Credit in ECON386. Internship also qualifies for BSOS internship courses.
• Field of study: All Majors
• Requirements: Must have office experience, be proficient in Microsoft office suite and be able to work autonomously.
Internship Background

- The Alliance of Community Health Plans is an organization that offers challenging and exciting opportunities. Their internships are for students wishing to gain practical experience in assisting an organization’s operational strategy. There is a huge focus on taking the interns field of study and relating it to the overall sector of the organization, health care.
Things to consider

– Better skills in Microsoft office suite
– Expound on office experience
– Network with other interns who attend various Universities and have diverse backgrounds.
– Gain insight into the growing healthcare industry
– I was able to speak to the director of one of the satellite offices who attended one of the law schools I am applying to.
