Dear BSOS Colleagues Teaching in Fall 2019,

Hope that your summer has been enjoyable and productive so far!

As you may be starting to think about your fall 2019 undergraduate courses, this is a preview of our college’s annual “back to school” email. Below you will find a list of the most frequently requested teaching-related information and resources. An updated version of this email will hit your inbox just before the beginning of fall classes.

Please feel free to be in touch with your undergraduate program director or with me if we can assist you in any way.
