DUTIES

- Participate in a project to develop strategic solutions for key operations initiatives in the Lending Transformation department.
- Facilitate weekly meetings in my department where updates would be shared by project managers.
- Observe and give basic recommendations that can improve the efficiency of the firm.

EXPERIENCE

- Great, team-oriented environment of many senior project managers in the company where I was able to learn a little about each member's work in my team.
- Professional development was a great plus to this program, with mentoring and workshops during the internship.
- Gained insight into the financial services industry and learned how multi-faceted it is with many options that I will be exploring as I look for post-grad career opportunities.
