Limited Enrollment Program Admission Requirements: Since Government & Politics has been designated as a Limited Enrollment Program (LEP), the major requires higher standards than the satisfactory progress benchmarks required in non-LEP majors. Students must meet certain minimum criteria in order to remain in the major or to gain access to the major. AP/IB credits will be accepted for gateway/entrance requirements.

LEP Enrollment Policies:

- Only one gateway/entrance requirement may be repeated and may only be repeated once.
- When more than one course can satisfy a gateway requirement, taking a second course from the list will count as a repeat.
- A grade of a W (Withdrawn) in a course is counted as an attempt.
- Students may apply only once to an LEP. Students who choose to leave the major or are directly admitted and fail to meet the review criteria will be dismissed from the major and may not reapply.
- Students in the major must maintain a minimum cumulative GPA of 2.00. Failure to do so will result in dismissal from the major.

First semester freshmen entering the University as GVPT major: Students must complete the following requirements **within 45 credits** (not including AP/IB credits) to remain in the major. (*AP/IB credits OK for requirements*)

- MATH107* or STAT100⁺ with C- or higher. MATH120**, 130, 140 with a grade of C- or higher may be substituted.
