The [President's Promise](#) ensures that the University of Maryland is chock-full of opportunities outside the classroom to help you identify your passions and gain a competitive edge.

Did you know?

“Whether or not one has an internship impacts short-term and longer-term career success. Survey takers who completed at least one internship received a job offer more quickly and had a higher first position salary than those who did not.”

-NACE 2018

WHERE ARE PSYC MAJORS INTERNING?

Internships are a great way to try out an interest, regardless if they are directly related to your major. Employers tend to favor job seekers who have had an internship in the field they are hiring for. Review [inspiring internship stories](#) from BSOS students to gain ideas.
