Agency: Hospital for Sick Children Outpatient Center
Agency Location: Lanham, MD
Mission: The HSC Health System is a nonprofit health care organization committed to serving people with complex health care needs and eliminating barriers to health services. The System combines the resources of a health plan, pediatric specialty hospital, home health agency and parent foundation to offer a comprehensive approach to caring, serving and empowering people with disabilities.
Agency Website: https://www.hschealth.org/
Agency Contact: Pia Seltmann, Occupational Therapist, pseltmann@hschealth.org

Agency: Humanim
Agency Location: Columbia, MD
Mission: Humanim’s mission is to support and empower individuals who face social or economic challenges – by building pathways to economic equity, opportunity, and independence. The Behavioral Health Department of Humanim provides support and employment services to individuals with behavioral health challenges, including health and wellness services, community integration, residential and family assistance, case management, customized job placement and supported employment. The Behavioral Health Department’s purpose is to provide community-based, person-centered, comprehensive programs that are driven by the needs, wants and preferences of the individuals served, with the primary goal of helping individuals recover, maximize autonomy, increase independence, and improve quality of life.
Agency Website: http://humanim.org/
Agency Contact: Shannon Sipes, ssipes@humanim.org

Agency: Salvation Army Harbor Light Center
Agency Location: Washington, DC
Mission: At Harbor Light, individuals can learn to administer Structured Clinical Interviews for the DSM-5, a semi-structured interview guide for making the major DSM-5 diagnoses. Interns discover how psychological theories apply to real-world settings while developing a knowledge base surrounding the symptomology of various disorders as well as useful diagnostic criteria. Interns also strengthen their own clinical interview and professional writing skills in a professional context.

Agency: **Community Crisis Services**  
Agency Location: Hyattsville, MD
Mission: Since its inception in 1970, the non-profit Community Crisis Services, Inc. has become a one-stop calling center for information and compassionate assistance for those in crisis. Calling the Hotline is often the first step an individual makes to access the mental health services and social service organizations within the community. We are here 24 hours a day, 365 days a year for anyone facing crisis and personal turmoil. Our vision is to provide comprehensive crisis services that are efficient, accessible, responsive, and fully integrated into the community.
Agency Website: [http://www.communitycrisis.org/](http://www.communitycrisis.org/)
Agency Contact: Jamie Brill, Assistant Call Center Director [jamieb@ccsimd.org](mailto:jamieb@ccsimd.org)

Agency: **Scribe America**  
Agency Location: Baltimore/Jessup, MD  
Mission: This position is an exceptional opportunity to gain first-hand clinical mental health experience in a paid position. The scribe will work one-on-one with a psychiatrist or psych NP for the provider’s entire shift, observing all of the provider’s patient encounters and documenting those encounters in the electronic medical records. There is extensive opportunity for the scribe to observe how providers interact with patients to gather information, and then use that information to assess and treat the patients. However, the scribe is not merely an observer, but is an important and contributing member of the treatment team. By ensuring that documentation is detailed and of high quality, and by freeing the provider to spend more time face-to-face with the patient, the scribe is able to improve the quality of patient care.
Agency Website: [https://www.scribeamerica.com/](https://www.scribeamerica.com/)
Agency Contact: [MHMpsychiatry@scribeamerica.com](mailto:MHMpsychiatry@scribeamerica.com)

Agency: **Sheppard Pratt Health System**  
Agency Location: Towson, MD/Ellicott City, MD
