Visit Maryland Day provides you with the opportunity to experience our campus by designing your own visit. Please take a moment to review the entire program and all available information sessions in order to plan an enjoyable day.

**Program at a Glance**

- **7:30 - 8:00 a.m.**: Check-In, Stamp Student Union (SSU)
- **8:00 - 9:00 a.m.**: Welcome & Admission Information Session
- **9:00 - 9:50 a.m.**: Academic Sessions
- **10:00 - 10:50 a.m.**: Academic Sessions
- **11:00 - 11:50 a.m.**: Information Sessions
- **12:00 - 12:50 p.m.**: Information Sessions
- **12:30 - 1:30 p.m.**: Information Express
- **10:00 - 2:00 p.m.**: Campus Tours (depart every half hour)

**Make your own schedule**

- **8:00 a.m.**: Welcome & Admission Information Session
- **9:00 a.m.**: __________________________
- **10:00 a.m.**: __________________________
- **11:00 a.m.**: __________________________
- **12:00 p.m.**: __________________________
- **1:00 p.m.**: __________________________
- **2:00 p.m.**: __________________________

**Tips for a successful visit**

The activities listed in your program are designed to meet a variety of student interests. In order to design a personal schedule which is informative and enjoyable we recommend the following:

1. Review the program, noting those activities that look interesting. Choose activities which you would like to attend, as well as a few alternate choices and note them on the schedule above or in your TERPlife app.

2. Visit the Information Express to learn more about academic programs and student services, and to meet with Admissions Representatives.

3. Make time for lunch at one of our many on-campus dining options.

**CUSTOMIZE YOUR SCHEDULE ONLINE:**

Download the TERPlife app and search for “Office of Undergraduate Admissions Event” to get started.
9:00 - 9:50 a.m.

**College of Agriculture & Natural Resources**  
Benjamin Bancker Room, SSU - 2nd Floor
Join College of Agriculture and Natural Resources for an overview of the college and an opportunity to meet our faculty, staff and current students and to learn about academic programs.

**School of Architecture, Planning & Preservation**  
Pyon Su Room, SSU - 2nd Floor
Come and explore your passion for design by learning about the undergraduate programs in Architecture in the School of Architecture, Planning and Preservation.

**College of Arts & Humanities**  
Charles Carroll Room, SSU - 2nd Floor
Join our community of global visionaries and creative problem solvers. Meet with faculty, staff, and students to learn about academic programs, internship opportunities and how graduates uniquely apply their Arts & Humanities degrees.

**College of Behavioral & Social Sciences**  
Hoff Theater, SSU - Ground Floor
Join Associate Dean Katherine Russell to learn how the College of Behavioral & Social Sciences helps better prepare students to “Be the Solution” to the world’s great challenges.

**Robert H. Smith School of Business**  
Orem Hall, Samuel Riggs IV Alumni Center
An information session with students and staff. This session will explain the opportunities available in the Robert H. Smith School of Business.

**College of Computer, Mathematical, & Natural Sciences (CMNS)**  
Grand Ballroom, SSU - 1st Floor
Come learn about the lives of CMNS majors from a panel of current students as they talk about their classes and labs, internships and research opportunities, interactions with faculty members, clinical experiences, and more.

**College of Education**  
Juan González Room, SSU - 2nd Floor
Learn more about the professional Teacher Education programs offered by the nationally ranked College of Education. This session will feature an overview of the college and our programs. In addition, a panel of current students will share their experiences as Education majors.

**A. James Clark School of Engineering**  
Colony Ballroom, SSU - 2nd Floor
Join Dean Darryll Pines for an overview and to meet our faculty, staff and current students to learn more about academic departments and programs. This session will end at 9:20 a.m.

9:00 - 9:50 a.m.

**College of Information Studies**  
Thurgood Marshall Room, SSU - 2nd Floor
Explore how you can use information and technology to change the world! Join the College of Information Studies for an overview of the college and an opportunity to meet our staff to learn more about the Information Science major.

**Philip Merrill College of Journalism**  
Eaton Theater, Knight Hall
Interested in being part of the next generation of storytellers? Join a panel of current students sharing their hands-on experiences inside and outside the classroom. Facility tours will depart following this 2 hour session.

**School of Public Health**  
Margaret Brent Room, SSU - 2nd Floor
Public Health is the science and art of protecting and improving the health of communities through education, promotion of healthy lifestyles and research for disease and injury prevention. Majors include: Kinesiology, Community Health, Family Science and Public Health Science.

**School of Public Policy**  
Room 1126, Taliaferro Hall
The Public Policy major provides students with the analytical and decision-making skills necessary to make a positive difference in the most challenging problems facing our world today. Join students, faculty, and staff to learn more about life as a Policy Terp!

9:20 - 10:15 a.m.

**A. James Clark School of Engineering**  
Departmental Presentations: Learn more about specific educational opportunities and degree requirements. Please select a department to visit.

**Aerospace Engineering**  
2212 Edmond St John Learning & Teaching Center
Bioengineering 1107 Jone H. Kim Engineering Bldg.
Chemical & Biomolecular Engineering 2108 Chemical & Nuclear Engineering Bldg.
Civil & Environmental Engineering 2179 Glenn L. Martin Hall
Electrical & Computer Engineering 2460 A.V. Williams Bldg.
Fire Protection Engineering 3106 J.M. Patterson Bldg.
Materials Science & Engineering 1302 Chemical & Nuclear Engineering Bldg.
Mechanical Engineering 0200 Symons Hall
Engineering - Undecided 1131B Glenn L. Martin Hall

10:15 - 10:55 a.m.

**A. James Clark School of Engineering**  
Departmental Information Fair and Facility Tours: Please join the engineering departments and student support services for a majors fair. Learn more about interdisciplinary research projects, experience cutting-edge discoveries and tour our exceptional facilities.

Rotunda, Jone H. Kim Engineering Bldg.

10:00 - 10:50 a.m.

**College of Agriculture & Natural Resources**  
Agricultural and Resource Economics 2200 Symons Hall
Animal Sciences Campus Farm
Dietetics 0112 Skinner Bldg.
Environmental Science & Policy 0118 Symons Hall
Environmental Science & Technology 1420 Animal Science Bldg.
Nutrition and Food Science 0101 Skinner Bldg.
Plant Sciences/Landscape Architecture/ Agricultural Science & Technology 2139 Plant Science Bldg.

**School of Architecture, Planning & Preservation**  
Tour of School Facilities
Departs from the Great Space in the Architecture Bldg.

**College of Arts & Humanities**  
American Studies 1324 Tawes Hall
Arabic Studies 3117 H.J. Patterson Hall

Computer Science Grand Ballroom, SSU
Mathematics Nanticoke Room, SSU
Physics Pyon Su Room, SSU

**College of Education**  
All Majors 0220 Benjamin Bldg.
**Information Sessions**

11:00 - 11:50 a.m.

**Allied Health (Physician Assistant, Physical Therapy, Pharmacy, and Nursing)**

Benjamin Banneker Room, SSU - 2nd Floor

Explore how our Health Professions Advising Office helps students from majors across campus prepare for professional school in the Allied Health fields, including physician assistant, nursing, and physical therapy. This session will also include information about the Guaranteed Admission Pathway for students interested in earning a Bachelors of Science in Nursing (BSN) from University of Maryland School of Nursing.

**Education Abroad**

Margaret Brent Room, SSU - 2nd Floor

Fearless Terps get out of the classroom! Join the Education Abroad Office and students recently returned from abroad to hear about the ways Maryland students can live, learn, research or intern in another culture while earning credit.

**Financial Aid and Merit Scholarships**

Colony Ballroom, SSU - 2nd Floor

Join staff from the Office of Student Financial Aid and the Office of Undergraduate Admissions for a presentation about financing your education at the University of Maryland.

**First-Year Innovation and Research Experience (FIRE)**

Juan Jiménez Room, SSU - 2nd Floor

FIRE provides first-year students authentic research experience, broad mentorship and institutional connections that impact academic success, personal resilience and professional development. Come learn about how to engage the research mission of UMD starting the moment you walk on campus.

**Honors College**

Hoff Theater, SSU - Ground Floor

The Honors College is for students with exceptional academic talents. Learn about the exciting living and learning programs that comprise the University of Maryland’s nationally recognized Honors College.

---

12:00 - 12:50 p.m.

**College Park Scholars**

Charles Carroll Room, SSU - 2nd Floor

Learn about College Park Scholars, our innovative living and learning community for academically talented students.

**Financial Aid and Merit Scholarships**

Colony Ballroom, SSU - 2nd Floor

Join staff from the Office of Student Financial Aid and the Office of Undergraduate Admissions for a presentation about financing your education at the University of Maryland.

**Freshmen Admission**

Margaret Brent Room, SSU - 2nd Floor

If you missed the 8:00 a.m. Admissions Information Session, join us for this session led by admissions representatives, where you will have the opportunity to learn about the freshman admissions process.

**Home Away From Home: Living on Campus**

Hoff Theater, SSU - Ground Floor

Learn about the university’s housing options and academic support systems offered in the residence halls.

**Language House Tour**

Visit the Language House to learn about this exciting language-immersion living and learning program that helps students study and develop fluency in one of ten languages.

0106 St. Mary’s Hall

**Pre-Law Information Session**

Juan Jiménez Room, SSU - 2nd Floor

Special advising programs are offered for students interested in law. Students should attend the academic college presentation for the major they wish to pursue and attend this session to see how advising supports their professional and academic goals.

**Pre-Medicine & Pre-Dental**

Benjamin Banneker Room, SSU - 2nd Floor

Special advising programs are offered for students interested in pursuing careers in medicine, dentistry and optometry. Students should attend an academic college presentation for the major they wish to pursue and attend this session to see how advising supports their professional and academic goals.

**Transfer Admission**

Nanticoke Room, SSU - 1st Floor

Led by an admissions representative, you will have the opportunity to learn about the transfer admissions process.

#BeAterp
**Information Express**

12:30 - 1:30 p.m.

Stop by the tables in the Grand Ballroom of the Stamp Student Union to ask questions and pick up information from these academic departments, colleges and student services offices.

**Tours**

**Campus Walking Tours**

10:00 - 2:00 p.m.

Depart from Prince George's Room, SSU - 1st Floor
Join a current Maryland student on a 50-minute walking tour of campus. Tours depart every half hour, from 10 a.m. to 2 p.m.

**Engineering Tours**

12:45 - 1:15 p.m.

These 30-minute Tours Depart from Information Express
Grand Ballroom, SSU - 1st Floor

KEYSTONE/Introduction to Engineering Design Lab Tour:
Get an overview of the Introduction to Engineering Design course, as well as the KEYSTONE program that focuses on support and retention within the first two years of engineering at Maryland.

Fire Protection Engineering Tour:
What makes a fire tornado whirl? How many candle tricks can you do? Have you ever looked inside a flame? Tour the Fire Protection Engineering unique fire lab facilities and see innovation in fire research.

Space Systems Laboratory Neutral Buoyancy Tank Tour:
Come and see the only neutral buoyancy facility located on a college campus. This 50 feet across, 25 feet deep, and 367,000 gallons of water tank is dedicated to making human beings more productive while working in space.

**Model Tour Room**

10:00 - 3:00 p.m.

Located in the Visitor Center, Turner Hall
Prospective students and parents are invited to visit the University’s Model Tour Room, located in the Visitor Center, Turner Hall. Speak with a Resident Life representative from 10:00 a.m. to 3:00 p.m. The model room is designed to represent a typical residence hall double room and provides visitors information regarding amenities and ideas for decoration.
